We believe
 In our country and her destiny,
 In the great dream of her founders,
 In her place among the nations,
 In her ideals;
 We believe
 That her democracy must be protected,
 Her privileges cherished
 Her freedom defended.
 We believe
 That humbly before the Almighty,
 But proudly before all mankind,
 We must safeguard her standards,
 The vision of her Washington,
 The martyrdom of her Lincoln,
 With the patriotic ardor
 Of the minute men
 And the boys in blue
 Of her glorious past.
 We believe
 In loyalty to our country
 Utter, irrevocable, inviolate.
 Thou, in whose sight
 A thousand years are but as yesterday
 And as a watch in the night,
 Help us
 In our frailty
 To make real
 What we believe.

Dear Lorraine,
 It's been wonderful knowing
 you these past two
 years. You're wonder-
 ful! full with a lot of
 school spirit. Be good
 always and stay as
 nice as you are. How
 lots of luck and
 success in your junior
 year.
 Love
 Madeline

Dear Lorraine,
 Like best of
 luck in your remaining
 years at S.M.A. Stay
 the sweet but you are.
 Love ya!

One hundred eighty-four years ago in Cork, Ireland, Honora Nagle founded the Congregation of the Sisters of the Presentation of the Blessed Virgin Mary. This religious Congregation was founded primarily for the education of youth.

In September, 1874, at the invitation of Reverend Arthur Donnelly, Pastor of Saint Michael Church, Manhattan, the Sisters of the Presentation became the teaching staff of Saint Michael Grammar School.

Fifty years later, another page was added to an already glorious record by the opening of a Secondary School of Business. The objective of the Parish, a four year academic high school was achieved in the year 1933, with the approval of the Board of Regents of the University of the State of New York.

Religion and Guidance

The study of Religion at St. Michael's is not so much a course of study as a way of life — a clear, definite plan by which we are guided toward our ultimate goal. The careful study of the Bible, the liturgy and the doctrinal teaching of the Church, is coupled with a guidance program designed to enable Michaelites to look toward the future with confidence and maturity. Weekly instructions by the priests of St. Michael's and informal class discussions make us aware that our role in the world is to be a witness to Christ's Redemptive Love for all mankind.

With her basic introduction to elementary algebra in Ninth Year Math, a Michaele embarks on the fascinating sea of x and y , congruent triangles, cosines, logarithms and radians. Sincere interest and diligent study carry her through plane and solid geometry, trigonometry and advanced algebra. The successful completion of these courses gives a wonderful sense of satisfaction that the intriguing world of numbers has been explored and conquered. In addition, Mathematics, the science of positive thinking, offers an excellent opportunity to improve one's power of reasoning with logic and precision.

Art

To appreciate and create art is the goal of our art courses at St. Mary's. From a study of the basic elements of art and design in the beginning year to the supporting course open to seniors, we develop our sense of beauty and creativity by study and execution.

Under the guidance of Sister Mary Phomeng, students, in art experiments, in the various mediums and techniques, find that they may not be artistically gifted, but they have the chance to satisfy their creative urge. Everyone has the opportunity to explore new fields of interest.

With determined confidence, entering students work their way through the art courses, gaining their effort.

Where there's music at SMA, you find Ed Berdette Lynch and Margaret Murphy whose voices were heard by all at many of the singing assemblies. This versatile duo are pictured singing a medley of popular songs at the Freemason Senior party.

Music

Each Friday Melodettes take time out from their regular classes for an enjoyable period of music with Mr. Warren Foley.

The major part of the year is spent in learning and perfecting the Gregorian chant. The whole student body is thus trained to sing at High Mass on special occasions such as Forty Hours' Devotion, Presentation Day and Easter Sunday.

For the Seniors practice for the Graduation music is a reminder that music classes at SMA are coming to an end and that "The Golden Pathway" stretches before them.

At the SMA singing assembly, the Melodettes, a septet of sophomores, are singing a popular tune.

Presentation Day

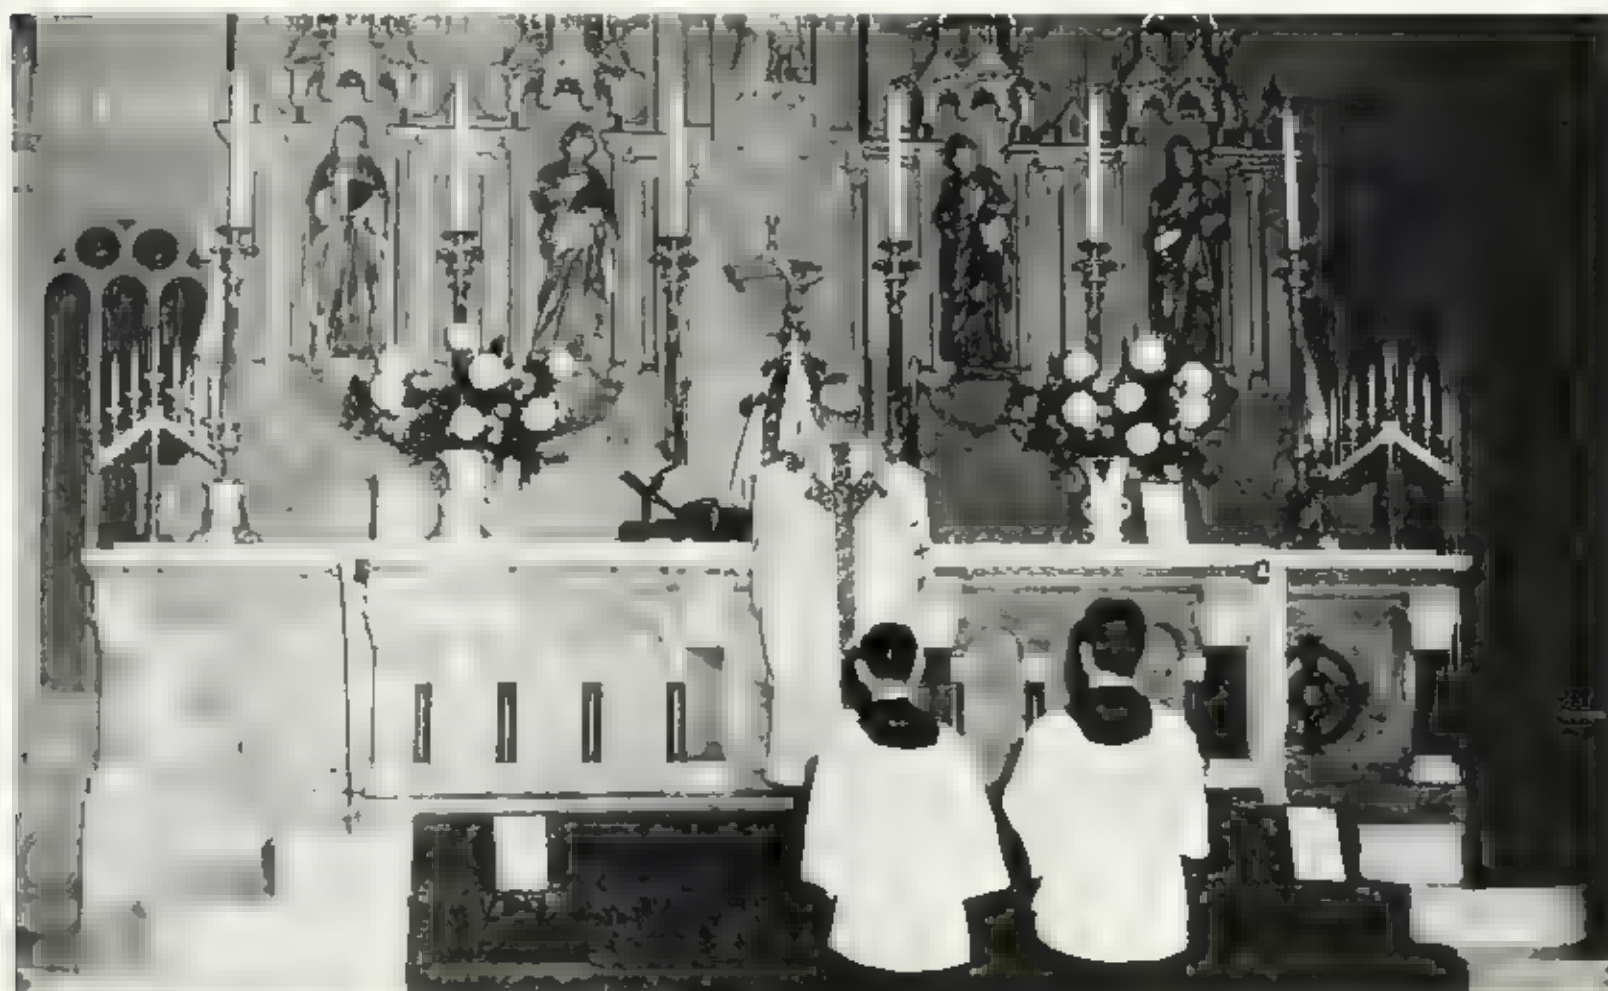

November 21, 1963 was a day of great festivity. It was the feast of the Presentation of Our Lady, and thus the first or feast of a religious feast. For the Class of 1964 it was the day on which they were to finally receive their senior rings.

The day fittingly began with the Holy Sacrifice of the Mass offered by Monsignor Lech and sung by the student body. After breakfast, the Dramatic Club presented a one-act comedy.

This, *Way to Heaven*. The Chorus then entertained with several popular folk songs and the traditional *O Forest of Avon*.

To climax the day the Seniors went to the stage to receive their rings. There was a poignant note to this year's ceremony since it was the last time that the rings would be given in senior year. Beginning with the Class of 1963 rings will be given in junior year.

Pray brethren that my sacrifice AND YOURS, will be acceptable to God

Dear Anne,
 It's been fun
 having you in my class for
 2 years. I hope you
 maybe you'll get stuck
 with me again next year.
 Always stay as nice and
 sweet as you are. Love
 Pat. I met you in the train

I hope you
 are well. May you
 be happy.

Pat

To Lorraine,

Remember the singing
parties in 406 at S.T.B.
and gab sessions at the sewing
circle in C.F.L. Always
stay the great sewer you
are now & stay sewing
kind & reserved. Best
luck in S.M.A. Future.

To Lorraine,

It was fun in (S.B.)
the term and always
listening to Christopher
& L. telling you & Rosemary
to shut up became almost
like a gab session than a
sewing class. Best of Luck
in the next two years at
S.M.A.

Love ya,
Linda Clue
(406)

To Lorraine,
It was great knowing
you this year in
Stacy Time (S.T.B.) and
talk time (C.F.L.). Hope
to see you next year,
Good Luck & every
Mary Jane

Lorraine,
Don't ever forget the
laughs in Business
with Raphael's stupid
stories. Best of luck in
all you do.
Love, Dottie S.
